that we first born of the flesh may be re - born by Your Spi - rit and wa - ter.
Your Love is strong - er than death, the Love that flows from the Fa - ther and Son
That You who made earth - ly goods make them to be Your own Bo - dy from hea - ven.

O Mas - ter You be - came a slave that those en - slaved be free,
The Sin - less One be - came sin, You Prince of Life were killed,
And by that Bo - dy we are fed, and so that Bo - dy be - come,

Now e - ver Son of Man so that the sons of God men may be.
Emp - tied Your - self through flesh, that by Your ho - ly Breath we be filled.
Joined to our Sa - viour and Head, we as Your ho - ly Bride are made one.
